MESSAGE FROM THE OWNERS

As the month Of October comes to an end, we are happy to see that business is continuing in a positive direction after the lows of 2008. We know most of you enjoyed the abundance of overtime hours this year and certainly it was helpful to your families. Thank you all for your efforts!

We want to stress to all of you how important it is for Herndon Construction Services to continue to add good people to our work force. If you know anyone who is willing to show up on time, work safely and put in a solid days work, please send them in for an application. We are willing to train those without experience. Also, please take the time to introduce yourselves to any new employee and keep an eye on them to make sure they are working safely. We want the new employees to know they are part of the Herndon team and not outsiders.

We look forward to seeing all of you and meeting your families at this year's Christmas Party. Have a happy and prosperous new year. Keep up the good work and stay safe. *John Herndon & Pat Herndon*

Happy Holidays!!!

I don't know about you, but for me this year has flown by. It's hard to believe that it's time to discuss Thanksgiving and Christmas!

That being said, I am very pleased to tell you that **everyone will be receiving a \$25.00 Gift Card** from Publix for Thanksgiving. We will enclose the Gift Cards with your payroll on November 21st. The office will be closed on Thursday, November 27th and Friday, November 28th for the Holiday. Your supervisor will let you know about work in the field for Friday the 28th.

In addition, we are very happy to let you know that we will be having a **Company Christmas Party on Friday, December 19th**. The party will be held at our office as in years past. This is a family party and everyone is encouraged to bring their wives and children. The party will take place from 3:00 P.M. - 6:00 P.M with plenty of food and games. We'll also have a gift give away that's always lots of fun.

We will need to know how many people to expect by Friday, December 12th. We would also like to know how many boys and how many girls to expect so there can be something for all the children.

The office will be closed on Thursday, December 25th and Friday, December 26th for the holiday. Again, your supervisor will let you know about available work for Friday the 26th. *Debbie Herndon*

Estimators Corner

As we head to the end of the year there are many possibilities of job starts looming on the horizon. Lots of bids are keeping us busy and we continue to be aggressive in our efforts to win the work. We expect a real good push through the rest of 2014 to ensure we all stay busy and kick off 2015 with a bang.

The following is a small sample of the projects that are starting up in the near future.

Jeff Bromley and Shawn Daily

New Projects

- Akermann
- 2nd Floor / 501 E. Kennedy
- Multiple Demo Projects @ Netpark
- McKinsey
- T-Mobile
- Ferman Buick/ GMC

Condolences

On a very sad note, Brandon Bukowski, a finisher who has worked on Scott's finishing crew for many years, passed away on Friday, October 3rd. Brandon was a real asset to HCS and will truly be missed. Our thoughts and prayers are with Brandon's family.

His family is planning a memorial service in November, call Patti for details.

Website

A reminder that our company website is now up and running. The website is filled with detailed information about HCS history and our services. There is a page dedicated to the projects we have worked on over the years. We also have a page that allows perspective employees to inquire about job openings. And of course a page that demonstrates our commitment to safety.

Please share the following link with those who may be interested in learning more about our services or are looking for employment:
